

**CLARK COUNTY BOARD OF COMMISSIONERS  
AGENDA ITEM**

<b>Issue:</b>	<b>Selection of Firms for Qualifications Lists</b>	<b>Back-up:</b>
<b>Petitioner:</b>	George W. Stevens, Chief Financial Officer Carel Carter, Director of Real Property Management	<b>Clerk Ref. #</b>
<b>Recommendation:</b>		
<p><b>That the Board of County Commissioners approve the selection of the firms specified on the Architecture and Landscape Architecture Service Providers Lists, for SOQ No. 602728-12, to provide Architecture Services for large, medium, small Projects, Civil Engineering Projects and Landscape Architecture Services from March 5, 2013 through December 31, 2015, or until new lists are approved; and authorize the Chief Financial Officer or his designee to negotiate the individual contracts required for each project; or take other action as appropriate. (For possible action)</b></p>

**BACKGROUND:**

Requests for qualifications were mailed to interested Architectural service and Civil Engineering providers in the form of a Statement of Qualifications (SOQ) No. 602728-12. In response to these requests, 10 firms submitted written qualifications for the landscaping architectural service; 10 firms submitted written qualifications for Civil Engineering service; 10 firms submitted written qualifications for the large project architectural service; 30 firms submitted written qualifications for the medium project architectural service; and 30 firms submitted written qualifications for the small project architectural service, to be considered as professional service providers for the County projects commencing from March 5, 2013 through December 31, 2015, that require landscape, architectural and Civil Engineering services. This SOQ will replace SOQ No. 601988-10 which was in place from January 18, 2011 to December 31, 2012 or until new lists were approved.

The firms specified on the attached Architecture Civil Engineering and Landscape Architecture Service Providers Lists responded to the Statement of Qualifications, and are considered qualified by an evaluation committee. If approved, the service categories will be used as the firms are listed, on a rotating basis as projects are identified. Since all of the firms were considered qualified by the committee, the rankings within each category reflect the quality of the proposals. In the event that an acceptable contract cannot be negotiated with a service provider, staff will negotiate with the next service provider. All negotiated contracts over \$50,000 will be presented to the Board of County Commissioners for final approval.

In accordance with NRS 332.115.1(b), the competitive bidding process is not required as the services to be performed are professional in nature.
